

Design Terms and Conditions

- The city flag represents the identity and values of our community. Your submission serves the good and may contribute to the city's visual identity.
- By submitting a design, you grant the City of Kelso the right to use, modify, and reproduce your design for public display.
- All designs submitted must be original works created by the participant. Participants must ensure that their designs do not contain any copyrighted material or trademarks belonging to third parties. Plagiarism or infringement of intellectual property rights will result in the submitted design being denied consideration.

By submitting a design, you agree to these terms and conditions.
